New Team Full Count Rhythm

3 Aug 2020

The Ohio Valley League anticipates another GREAT season of Summer Collegiate Wooden Bat Baseball during 2021 in Hometowns across Western Kentucky, Southern Indiana, and now Tennessee. Today, we announce the formation and extend a big WELCOME to a new franchise in Hendersonville, TN. The new team will play as the Full Count Rhythm. Obviously, a nod to the country music industry in Nashville. The Rhythm will play in Drake's Creek Park beginning with the 2021 OVL season. All ten teams are recruiting now, and we will have some very talented players headed our way in just a few short months.

During the coming OVL annual meeting we will redefine our Division alignments with the addition of the Full Count Rhythm. Expect an announcement in about 3 weeks.

You can follow the Rhythm on social media at:
